

PRODUCT SPECIFICATION SHEETS

TechPulse | UrbanWear | CasaPrime | DrillMaster

Document Version: 1.0
Effective Date: January 2025
Classification: Sales & Marketing Reference

ELECTRONICS CATEGORY

Product 1: Laptop 14" (SKU-LTP-14)

Brand: TechPulse
Category: Electronics
Product Line: Professional Computing

Technical Specifications

Specification	Details
Display	14-inch Full HD (1920 x 1080) IPS LED-backlit
Processor	Intel Core i7-12th Gen (up to 4.7 GHz Turbo)
Memory	16GB DDR4 RAM (expandable to 32GB)
Storage	512GB NVMe PCIe SSD
Graphics	Intel Iris Xe integrated graphics
Operating System	Windows 11 Pro (pre-installed)
Battery Life	Up to 10 hours typical usage
Weight	1.4 kg
Dimensions	321 x 214 x 17.9 mm
Connectivity	Wi-Fi 6E, Bluetooth 5.2

Table 1: Laptop 14" Technical Specifications

Ports and Connectivity

- 2x USB-C (Thunderbolt 4)
- 2x USB-A 3.2
- HDMI 2.0
- 3.5mm audio jack
- 1080p FHD webcam with IR for Windows Hello

Features

- Backlit chiclet keyboard with numeric keypad
- Color options: Space Gray, Silver
- Lightweight portable design for professionals
- Enterprise-grade security features

Warranty and Support

- Standard: 1-year limited hardware warranty
- Extended options: 2-year and 3-year on-site service available
- 24/7 technical support hotline
- 30-day money-back guarantee (conditions apply)

Target Market

Primary: B2B customers including corporate bulk orders, field engineers, IT departments, and enterprise procurement teams.

Secondary: B2C professionals, students, content creators, and remote workers.

Geographic Focus: Strong performance in EMEA and East regions with growing demand in APAC markets.

Certifications

- Energy Star certified
- EPEAT Gold rated
- RoHS compliant
- CE, FCC, UL listed

Recommended Accessories

- TechPulse wireless mouse (SKU-MOU-WIRLS)
- TechPulse laptop stand (SKU-STD-LAP)
- Extended battery pack (SKU-BAT-EXT-14)
- USB-C docking station (SKU-DOCK-C4)

Product 2: 5G Smartphone (SKU-MOB-5G)

Brand: TechPulse

Category: Electronics

Product Line: Mobile Devices

Technical Specifications

Specification	Details
Display	6.5" AMOLED, 120Hz, HDR10+, 2400x1080
Processor	Qualcomm Snapdragon 8 Gen 2 (5G)
Memory	8GB / 12GB RAM variants
Storage	128GB / 256GB / 512GB (non-expandable)
Operating System	Android 14 with TechPulse UI 5.0
Battery	5000mAh with 65W fast charging
Wireless Charging	15W wireless charging support
Weight	198g
Dimensions	162.3 x 75.1 x 8.9 mm
Water Resistance	IP68 rated (1.5m for 30 minutes)

Table 2: 5G Smartphone Technical Specifications

Camera System

Rear Camera (Triple Lens):

- 50MP main sensor (f/1.8, OIS)
- 12MP ultra-wide (f/2.2, 120° field of view)
- 8MP telephoto (3x optical zoom, f/2.4)

Front Camera:

- 32MP selfie camera (f/2.0)
- 4K video recording at 30fps

Connectivity and Biometrics

- 5G Bands: Sub-6 GHz and mmWave support (region dependent)
- Wi-Fi 6E, Bluetooth 5.3, NFC
- USB-C 3.1
- In-display fingerprint sensor
- Face unlock technology

Color Options

- Midnight Black
- Aurora Blue
- Pearl White
- Sunset Gold

Warranty and Support

- Standard: 1-year manufacturer warranty
- Screen protection plan available (accidental damage coverage)
- Software updates guaranteed for 4 years
- Global service network in 50+ countries

Target Market

Primary: B2C customers including tech enthusiasts, early adopters, urban millennials, and mobile-first consumers.

Secondary: B2B corporate fleet buyers and sales teams requiring reliable 5G connectivity.

Geographic Focus: Strong demand in East, West, and APAC regions with growing B2B adoption in EMEA.

Certifications

- FCC, CE, TELEC certified
- SAR compliant (all regions)
- Google Mobile Services (GMS) certified

Bundled Items

- 65W USB-C fast charger
- USB-C to USB-C cable
- Clear protective case
- SIM ejector tool
- Quick start guide

APPAREL CATEGORY

Product 3: Classic Jeans 32 (SKU-JNS-32)

Brand: UrbanWear

Category: Apparel

Product Line: Denim Collection

Product Details

Attribute	Details
Style	Straight-leg classic fit
Waist Size	32 inches (81 cm)
Inseam Lengths	30", 32", 34"
Material	98% cotton, 2% elastane
Denim Weight	12 oz (medium weight)
Color	Classic Indigo Blue (stonewashed)
Fit Type	Regular fit (mid-rise)
Closure	Button fly with YKK zipper
Pockets	5-pocket design
Rivets	Copper-toned metal rivets
Belt Loops	7 reinforced belt loops

Table 3: Classic Jeans 32 Product Details

Care Instructions

- Machine wash cold with like colors
- Do not bleach
- Tumble dry low or hang to dry
- Iron on medium heat if needed
- Do not dry clean

Size Chart

Waist (inches)	Hip (inches)	Inseam (inches)
32	42	30 / 32 / 34

Table 4: Size Chart for Waist 32"

Sustainability Features

- Cotton sourced from Better Cotton Initiative (BCI) farms
- Low-impact dyes used in production
- Water-saving wash technology (30% less water vs traditional denim)
- Recyclable packaging materials
- Carbon-neutral shipping options available

Warranty and Returns

- 90-day quality guarantee (seams, buttons, zippers)
- 30-day return window for unworn items with tags
- Free exchanges for size adjustments
- Satisfaction guaranteed program

Target Market

Primary: B2C casual wear consumers seeking everyday fashion and comfort.

Age Range: 18-45 years, both male demographics.

Geographic Focus: Strong sales in India (West, South, North regions), USA, UK, and Canada.

- Navy Blue (SKU-TSH-NAV-M)
- Black (SKU-TSH-BLK-M)
- White (SKU-TSH-WHT-M)
- Heather Gray (SKU-TSH-GRY-M)

HOME CATEGORY

Product 5: Kitchen Utensils Set (SKU-KIT-SET)

Brand: CasaPrime

Category: Home

Product Line: Kitchen Essentials

Set Contents (12 Pieces)

- 1. Slotted spoon (stainless steel)
- 2. Solid spoon (stainless steel)
- 3. Ladle (stainless steel)
- 4. Spaghetti server (stainless steel)
- 5. Slotted turner (stainless steel)
- 6. Solid turner (stainless steel)
- 7. Whisk (stainless steel)
- 8. Kitchen tongs (stainless steel with silicone tips)
- 9. Can opener (stainless steel)
- 10. Peeler (stainless steel blade with comfort grip)
- 11. Pizza cutter (stainless steel wheel)
- 12. Rotating utensil holder (stainless steel base)

Material Specifications

Component	Material
Utensils	Premium 18/10 stainless steel
Handles	Ergonomic soft-grip silicone
Heat Resistance	Up to 450°F / 230°C
Holder Base	Brushed stainless steel
Holder Feet	Non-slip rubber

Table 6: Material Specifications

Dimensions

- Utensil lengths: 11-13 inches (28-33 cm)
- Holder: 5.5" diameter x 7" height
- Total weight: 2.3 kg

Features

- Dishwasher safe (top rack recommended)
- BPA-free materials
- Mirror-polished finish for elegant appearance
- Hanging loops on handles for convenient storage
- Heat-resistant up to 450°F
- Non-scratch edges (safe for non-stick cookware)
- Rust-resistant and non-reactive

Care Instructions

- Hand wash recommended for longevity
- Dishwasher safe (top rack)
- Dry immediately to prevent water spots
- Do not use abrasive cleaners
- Store in holder or hang to prevent scratches

Warranty and Support

- Lifetime warranty against manufacturing defects
- 30-day satisfaction guarantee
- Free replacement for damaged items during shipping
- Customer service hotline: 1-800-CASAPRIME

Target Market

Primary: B2C homeowners, wedding registries, new home setups, and gift buyers.

Secondary: B2B hospitality industry, Airbnb hosts, corporate gifts, and bulk procurement.

Geographic Focus: Popular in USA, India, UK, Singapore, and Canada.

Packaging

- Premium gift-ready box with product window
- Includes instruction manual and recipe booklet
- Eco-friendly recyclable cardboard packaging
- Protective foam inserts for safe shipping

Certifications

- FDA approved materials (food contact safe)
- LFGB certified (European food safety standard)
- Prop 65 compliant (California)
- ISO 9001 quality management certified

TOOLS CATEGORY

Product 6: 450W Power Drill (SKU-DRL-450)

Brand: DrillMaster

Category: Tools

Product Line: Power Tools Professional

Technical Specifications

Specification	Details
Motor Power	450W high-torque motor
Chuck Size	10mm keyless chuck (quick-change)
Speed Settings	Variable 0-3000 RPM
Torque Settings	21 + 1 positions
Max Torque	30 Nm (soft) / 50 Nm (hard)
Power Source	Corded AC 110-240V, 50/60Hz
Cable Length	3 meters (10 feet)
Weight	1.8 kg (3.97 lbs)
Dimensions	280 x 240 x 90 mm

Table 7: 450W Power Drill Technical Specifications

Drilling Capacity

- Steel: up to 10mm
- Wood: up to 25mm
- Masonry: up to 13mm (with hammer function)

Functions

- Drill mode
- Hammer drill mode
- Driver mode (forward/reverse)

Features

- Ergonomic rubberized grip for comfort and control
- Built-in LED work light (illuminates drilling area)
- Depth gauge rod for precise drilling depth
- Lock-on button for continuous operation
- Auxiliary side handle (360° rotation)
- Quick-release keyless chuck
- Electronic speed control dial
- Overload protection and thermal cutoff

Included Accessories

- 10-piece drill bit set (wood and metal bits)
- Depth gauge rod
- Auxiliary side handle
- Chuck key (backup)
- Carrying case (blow-molded hard case)
- User manual and safety guide

Safety Features

- Double insulation (Class II)
- Overload protection circuit
- Thermal overload cutoff
- Non-slip grip zones
- Safety switch lock

Care and Maintenance

- Clean air vents regularly to prevent motor overheating
- Lubricate chuck periodically with light machine oil
- Check carbon brushes every 50 hours of use
- Store in dry location away from moisture
- Inspect power cord for damage before each use

Warranty and Support

- 2-year manufacturer warranty (parts and labor)
- 30-day money-back guarantee
- Authorized service centers in 40+ countries
- Lifetime access to replacement parts
- Technical support: 1-800-DRILLMASTER

Target Market

Primary: B2B contractors, maintenance teams, facilities management, and construction companies.

Secondary: B2C DIY enthusiasts, home improvement projects, and hobbyists.

Geographic Focus: Strong sales in USA, UK, India, Singapore, and Australia.

Certifications

- CE certified (European safety standards)
- UL listed (North America)
- RoHS compliant
- ISO 9001 manufacturing quality

Product 7: Hand Tool Mix Set (SKU-MIX-SET)

Brand: DrillMaster

Category: Tools

Product Line: Hand Tools Essentials

Set Contents (25 Pieces)

Screwdrivers (8 pieces):

- Phillips head: PH0, PH1, PH2, PH3
- Slotted: 3mm, 5mm, 6mm, 8mm

Hex Keys / Allen Wrenches (9 pieces):

- Metric sizes: 1.5mm, 2mm, 2.5mm, 3mm, 4mm, 5mm, 6mm, 8mm, 10mm

Pliers (3 pieces):

- Slip-joint pliers (8 inch)
- Long-nose pliers (6 inch)
- Diagonal cutting pliers (6 inch)

Wrenches (3 pieces):

- Adjustable wrench (8 inch, opens to 25mm)
- Combination wrench 10mm
- Combination wrench 13mm

Utility Tools (2 pieces):

- Utility knife with retractable blade (includes 3 spare blades)
- Tape measure (5m / 16ft with auto-lock)

Material Specifications

Tool Type	Material
Screwdriver shafts	Chrome vanadium steel (hardened tips)
Screwdriver handles	Ergonomic TPR grip
Hex keys	Chrome vanadium steel (corrosion-resistant)
Pliers	Drop-forged carbon steel
Wrenches	Chrome vanadium steel, mirror-polished
Utility knife	Aluminum body with stainless steel blade
Tape measure	ABS case, nylon-coated steel blade

Table 8: Material Specifications for Hand Tools

Features

- Magnetic screwdriver tips for easier fastening
- Color-coded screwdriver handles for quick identification
- Pliers with cushioned grips for comfort
- Adjustable wrench with laser-etched scale
- Tape measure with belt clip and wrist strap
- Utility knife with blade storage compartment

Packaging

- Heavy-duty blow-molded carrying case
- Foam inserts with dedicated slots for each tool
- Secure snap-lock latches
- Integrated handle for portability

Dimensions and Weight

- Case dimensions: 380 x 280 x 70 mm
- Total weight: 2.5 kg

Care and Maintenance

- Clean tools after each use
- Apply light oil to metal parts to prevent rust
- Store in dry environment
- Check screwdriver tips for wear; replace if damaged
- Lubricate pliers and wrench joints periodically

Warranty and Support

- Lifetime warranty against manufacturing defects
- 30-day satisfaction guarantee
- Tool replacement program for worn items
- Customer service: 1-800-DRILLMASTER

Target Market

Primary: B2B facilities maintenance, field engineers, procurement departments, and industrial contractors.

Secondary: B2C homeowners, DIY enthusiasts, gift market, and hobbyists.

Geographic Focus: Popular in USA, India, UK, Singapore, and Australia.

Certifications

- ISO 9001 quality management
- DIN standards compliant (German tools standard)
- ANSI approved (American National Standards Institute)

Safety Notes

- Always wear safety glasses when using cutting tools
- Keep tools clean and dry
- Do not use damaged tools
- Follow manufacturer guidelines for proper use
- Store out of reach of children
